

Plate Loaded

60 Degree Calf Raise

Packed with features and exceptional movements, the Plate Loaded line merges superior technology with a passion for fitness. Cybex Plate Loaded and Free Weight lines are the definition of strength training – and equipment no club wants to be without.

EXTREME STRENGTH

Superior biomechanics in a space-efficient package. The Cybex Plate Loaded line is the most space-efficient user-friendly plate loaded line in the industry. It accommodates users of almost any size and its superior design meets the needs of advanced users, without intimidating others.

- Cybex science and design in a plate loaded line.
- Who said hard core has to be intimidating?
- Built tough to keep looking new.

FEATURES

- Open, walk-through design for easy roll through access for benches.
- 15-pound take-off weight allows users of all levels the ability to exercise.
- The 90° path of motion for adaptability to all exercises.
- 18 bar and catch hooks adjust in four-inch increments.
