

The all new EAGLE® | NX PULLDOWN

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

FEATURES

1. Independent Arms: Add training variety and achieve balanced strength development.

2. Dual Axis Technology: Get variety and versatility with both machine-defined and user-defined movements. Choose your level of intensity and train with confidence.

3. Accommodating to All: Thigh stabilization pad designed for different body types and strength levels.

USER AMENITIES

4. Placards: Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

5. Smartphone/tablet holder: Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

6. Water bottle/towel holder: Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle machine.

Visit our website for instructional videos on standard and advanced movements.
